

# 380 AUTO Cartridge

# 380 AUTO Cartridge

The .380 Auto is a popular self-defense caliber, making it the ideal choice for conceal and carry applications, as well as a backup caliber for law enforcement. With today's modern bullet technology and performance, the Jagemann™.380 Auto casing is a popular choice and is used with numerous new firearms on the market.

Drawn from premium American-made brass cups, these casing are rigorously tested to ensure unparalleled durability and dependability, each casing undergoes rigorous in-line and post-production quality assurance testing to ensure a flawless casing.

Standard casing dimensions and tolerances have been modified to achieve maximum performance. Jagemann™ Sporting Group's in-house tooling and engineering capabilities provide the ability to customize casing dimensions for use with specific projectiles. We can meet your needs.
